MULTIMATE Pro

NEWHANK
QUALITY AV PRODUCTS

The upgraded successor to the popular MULTIMATE RS, bringing enhanced features and a fresh look to the table. This new model maintains the reliable functionality users appreciated in the RS while adding balanced XLR outputs for improved audio quality and signal integrity, making it a perfect fit for professional audio environments. With a revamped design, the MULTIMATE Pro sports a sleek, modern appearance that enhances both aesthetics and ease of use. This versatile multi tuner and streamer delivers quality sound and user-friendly controls in a robust, stylish package.

Discover and enjoy music from around the world with NewHank MULTIMATE! This professional 1U rack-mount Internet, FM, DAB/DAB+ radio and music player combines everything you need to stay tuned in. MULTIMATE allows you to listen to local and global radio stations, play music files directly from a USB drive or stream music through Bluetooth or Spotify Connect. With its large, clear display and an easy-to-use push-and-select rotary dial, navigating your options is both simple and intuitive. The NewHank MULTIMATE is your ultimate music companion, designed to keep you connected to all your favorite tunes.
